There is a great need for Christ-like leaders.

The Calvary Chapel Oakville School of Ministry is intended to provide a program to mentor and train Christians to be spiritual leaders through personal discipleship, study, and practical experience. Our desire is to equip believers for the work to which God has called them (Ephesians 4:11-13).

Jesus spent time with the disciples and put them in situations where they had to apply what they were learning. The disciples learned from Jesus' teaching and example, and sought to replicate His ministry as they followed Him. This is our model for ministry.

When we consider the men and women used by God, we are impressed with the diversity of people used to accomplish His purposes. Abraham was the father of the faith. Joseph was a gifted administrator. Moses was a prince and a shepherd, and he spoke with God as to a man. He was the great lawgiver. Joshua was a courageous and brilliant military leader, and man of faith above his countrymen. David was a poet, shepherd, and Israel's greatest king. Ezra taught, Jeremiah wept, Esther was courageous, Peter was impulsive, John never forgot that Jesus loved him. Paul was brilliant. All were called. We can each be used by God

How would your life be impacted if you were motivated to serve God; and you learned to serve Him effectively?

How could your family, community, and church be changed if you learned to serve God and His people?

We could change the world!

WHAT YOU NEED TO KNOW

“...He Himself gave some to be apostles, some prophets, some evangelists, and some pastors and teachers, for the equipping of the saints for the work of the ministry, for the edifying of the body of Christ...”

Ephesians 4:11-12

OVERVIEW:

All learning sessions will be taught by Pastor Pat on Saturday morning at the church office. The program requires one hour of class time per week, one to two hours of “LifeWork” per week, and approximately one to two hours of practical service per week. The School of Ministry will provide approximately sixteen months of weekly personal disciple training.

REGISTRATION:

A simple form is included in this brochure. See form for dates and times of sessions. There is a one-time, non-refundable registration fee of \$25.00. You can enter the program at any module. In other words, module 4 is not dependant upon completing modules 1-3.

EXPECTATIONS:

1. **Ministry Involvement:** Be regularly involved in an area of ministry where you can apply the lessons that you are learning in order to become a more effective spiritual leader. Each student must serve at least 4 hours per month (average 1 hour per week.)
2. **Ministry Report Form:** Each month you will complete a ministry report form that describes your involvement the preceding month, and what you learned about God, ministry, and yourself.
3. **Reading Assignments:** Every two months, you will be assigned a book that focuses on Christian living, spiritual leadership, or church history/biography, etc. The books are about 200 pages, and will cost about \$15.00. You will submit a book report describing what you have

learned about God, the ministry, and yourself. Thus, eight books shall be read, and reported upon during the program.

4. **LifeWork:** Homework, including reading assignments, will average one to two hours per week. Assignments are graded, and must be submitted in a timely manner. Late work will result in a diminished grade, and patterns of neglect may result in removal from the program.
5. **Attendance:** We will meet once a week for approximately 75 minutes of class time. You are expected to arrive on time, and are allowed 6 absences during the 16 month program. You are expected to bring your Bible and take notes during each session.
